

HOW TO PLAY

- A volleyball game consists of two teams of six players each, separated by a net.
- To start, flip a coin to determine which team serves the ball first.
- Then the two teams will rally—or hit the ball back and forth over the net—until a fault occurs.
- There is a maximum of three hits per side.
- The objective is to score points by sending the ball over the net, grounding it into the opponent's court.
- Volleyball matches are made up of sets, typically three or five sets.
- Three-set matches are two sets to 25 points and a third set to 15 points. Each set must be won by two points. The first team to win two sets is the winner of the match.
